DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see pages 1-3, filed 24 September 2004, with respect to claims 1-21 have been fully considered and are persuasive. The 35 U.S.C. 102(b) rejection of claims 1-21 has been withdrawn.

Examiner agrees that Honda et al. does not disclose an insulating sheet including a sheet portion, an opening portion, and a guide portion.

Allowable Subject Matter

2. Claims 1-21 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The limitations found in claims 1-21 are neither disclosed nor taught by the prior art of record, alone or in combination. The prior art of record does not disclose the limitations of an insulating sheet including a sheet portion, an opening portion that allows air to pass through; and a guide portion in combination with the other limitations recited in claims 1, 7, and 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
